On January 18, 2008, after numerous attempts to contact Darren R. Sherman by telephone, e-mail and letter, Mr. Sherman spoke with K. David Crockett, Esq. of Crockett & Crockett, PC. Mr. Sherman told Mr. Crockett that he refuses to sign the declaration in the present application. Mr. Sherman had previously been provided with a copy of the application and a declaration for signature. Copies were provided by mail, certified mail (which was returned), by FedEx, and by e-mail.

The current address of Mr. Sherman is 1216 Southeast 5th Court, Fort Lauderdale, FL 33301-3008.

Therefore, Applicant requests that the declaration in the application be accepted with less than all of the inventors, and that the Patent Office permit the application to be made by the remaining inventor.
